

BACHELOR OF NURSING (HONS) ODL

JPT/BPP (N-DL/0913/6/0016) 09/29 (MQA/PA16764)

DESCRIPTION OF PROGRAMME

The Bachelor of Nursing (Hons) Open and Distance Learning (ODL) which is tailored especially for registered nurses who hold a diploma in Nursing and would like to upgrade their academic qualifications towards a full Bachelor in Nursing. Without the needs of travelling and attending physical classes, this virtual programme keeps you up-to-date with the latest nursing knowledge, critical thinking skills, and evidence-based nursing practices through online classes that you can access anytime and anywhere. Coordinated by certified and highly experienced educators, the flexibility of the programme frees you from the worries of your busy schedule and allows you to have a good balance with your current work and yet be a high performance student.

PROGRAMME HIGHLIGHTS

- 100% online learning
- Designed for registered nurses working in the healthcare industry
- Flexible timing for autonomy in arranging your schedule
- Self-directed learning and at your own pace
- Eligible for a maximum of 50% credit transfer based on subject to subject mapping
